## FEDERATION FUNDING CHANGES LIVES

Our impact is powered by partners in Broward, Israel, and overseas. We are a community that:

- Responds and mobilizes in times of crisis so that emergency needs can be immediately addressed.
- Cares for the vulnerable, elderly at-risk and embraces those with special needs.
- Honors and supports holocaust survivors to ensure they can live their lives with dignity and compassion.
- Fights against antisemitism and prioritizes the safety and security of its citizens, institutions, schools and synagogues.
- Invests in young people so they may build deeper connections to Jewish life, Israel and each other.
- Creates opportunities for engagement where community members can start and maintain their Jewish journeys.
- Collaborates with and convenes other Jewish organizations to identify challenges and source innovative solutions that best utilize community resources.

## COMBATting ANTISEMITISM

Locally, nationally, and worldwide, antisemitism is on the rise. The Broward JCRC is the public affairs and community relations voice of Broward's organized Jewish community and is charged with building deep, meaningful, and long-lasting partnerships with different faiths and traditions.
