

How the Jewish Federation of Broward County Supports YOU and Our Jewish Community

How We Make A Difference

Guided by the Jewish values of *Mitsva* (improving the world) and *Tzedakah* (charity and social justice), we enhance and lead our Broward Jewish community in identifying issues, fostering collaboration and finding forward-thinking, innovative solutions to address needs in Broward, Israel, and around the world.

As the philanthropic heart and soul of the Broward Jewish community, we are able to improve lives. Our thriving, welcoming and inclusive Federation is passionately committed to:

Caring for the Most Vulnerable

Caring for the elderly, serving those most at risk, embracing those with differing abilities and ensuring that no one is left behind.

Contact seniors@jewishbroward.org for assistance with securing care for an elderly person in your life, mental health services, food insecurity, addressing homelessness, financial assistance, domestic abuse and special needs.

Keeping Our Jewish Community Safe

In a world where hate is more visible every day, and antisemitic acts are ever increasing, we must prioritize the safety and security of our community so we may live Jewish lives safely.

Contact our Secure Community Network (SCN) Security Director, Danya May, at danya@securecommunitynetwork.org or IOF@jewishbroward.org if your community institution requires more security resources.

Standing with Israel and Global Jewry

Connecting our communities, renewing Jewish life around the world and providing lifesaving relief to Jews at risk.

Contact support@jewishbroward.org to help support Jews in Israel and ensure a deep connection between Israel and Broward.

What does our Jewish Community do for all of us?

Our local Jewish community — powered by the Jewish Federation of Broward County — cares for Jews everywhere, responds to crises close to home and far away, and shapes our Jewish future. In 2024, we invested more than \$21 million in over 100 programs to care for the most vulnerable, keep our Jewish community safe, stand with Israel, create meaningful ways for people to be engaged in Jewish life, build bridges with other communities, and respond to crises whenever and wherever they arise.

We Do So Much More Than "Fundraising"

Every day, the Jewish Federation of Broward County mobilizes the needed leadership and financial resources to strengthen and enhance Jewish life in Broward, Israel, and around the world. What sets us apart is that we have created and nurtured an unparalleled network of organizations that can work individually and together to immediately address ongoing challenges and emerging issues throughout our global Jewish community. This communal infrastructure works 24/7 and when emergencies happen, we are ready and uniquely positioned to respond in a way that no one person or organization could do alone.

We Are Also "Fundraisers," "Conveners," and "Connectors"

Deeply rooted in the idea of collective responsibility, we enlist our community members in raising and distributing millions annually to address our most pressing needs. As a community convener, we bring together diverse Jewish voices around issues of common cause. And as the ultimate connector, we have the leverage and relationships to move quickly and effectively to make an impact.
