

RACHEL GOLDBERG-POLIN

Jon Polin and Rachel Goldberg-Polin's son, Hersh, was taken hostage by Hamas on October 7, 2023, after having his dominant forearm blown off. Since then, the couple, who are dual American-Israeli citizens, have become full-time hostage advocates.

They have been speaking worldwide about Hersh's abduction and fighting for all of the hostages to be freed. Almost a year after being stolen, on day 330, the IDF announced that Hersh had been murdered by Hamas, in a tunnel in Gaza, along with 5 other young people with whom he was being held. Despite the devastating loss of their son, Jon and Rachel remain steadfast in their quest for the freedom of every hostage held by Hamas.
