

# Jewish Federation

of Broward County

For more than 80 years, the Jewish Federation of Broward County has been a philanthropic and community champion, connecting Jews—of all ages, backgrounds, and perspectives—to our community’s power to improve the world. Together we serve the most vulnerable, deepen Jewish engagement and connectivity, support Israel and world Jewry, and respond to emergencies.

That work is only possible thanks to community stakeholders who generously give their time, talent, and resources to ensure we may continue to strengthen and build our flourishing Jewish community.

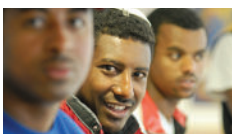

**The challenges we face are unprecedented, but so too are the opportunities to make a difference. Together, we can:**

**Prioritize Safety and Security:**  
Ensuring that every member of our community can live Jewish lives with dignity and safety.

**Inspire the Next Generation:**  
Creating meaningful ways for people of all ages to engage with their Jewish heritage.

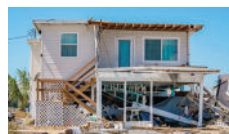

**Stand with Israel and Global Jewry:**  
By connecting our communities and providing life-saving relief to Jews at risk worldwide.

**Build Bridges:** Strengthening relationships with other communities and leaders, advocating for issues of shared interest.

**Support the Most Vulnerable:**  
Offering vital assistance to those in need, ensuring they live safe, supported lives.

**Respond to Crises:** Being ready to act immediately whenever and wherever the need arises.
