The Jewish Federation of Broward County is the heart and soul of our community. We care for Jews everywhere, respond to crises, and shape our Jewish future.

Guided by the timeless Jewish values of *tikkun olam* (repairing the world) and *tzedakah* (charity and social justice), we mobilize the Broward Jewish Community to provide leadership and financial resources that strengthen and enhance Jewish life in Broward, Israel, and around the world. In moments of peace and crisis alike, our Federation stands ready to respond, uplift, and inspire.

# Now is the Moment To Come Together For Good

## The Impact of October 7th: A Community's Response

The tragic events of October 7th shook us all. But in the face of adversity, our community's strength shone through. Because of the robust communal infrastructure we've built together, we were able to respond immediately providing medical care, emergency services, and trauma support to those in Israel while bolstering security here at home. This network, nurtured over years, allowed us to act swiftly and decisively, offering aid and comfort when it was needed most.

In just six weeks, the Jewish Federation of Broward County raised \$4.5 million locally and contributed to an \$854 million national effort benefiting nearly 500 organizations addressing urgent needs in Israel. Since October 7th, we've organized gatherings that foster connection and solidarity with the people of Israel and continued supporting them as they navigate this challenging period.

*This crisis underscores the vital role of our Federation. It reminds us all that when we come together, we can achieve what no one organization could accomplish alone.*

## Our Impact: A Community Transformed

Our unparalleled network — comprised of organizations that work individually and together — simultaneously addresses ongoing challenges and emerging issues throughout our global Jewish community.

Every day, the Jewish Federation of Broward County mobilizes the needed leadership and financial resources to strengthen and enhance Jewish life in Broward, Israel, and around the world.

As a community convener, we bring together diverse Jewish voices around issues of common cause and as the ultimate connector, we have the reach, leverage and relationships to move quickly and get things done.

*In 2024 alone, we invested over \$21 million in more than 100 programs around the globe to care for the most vulnerable, keep our Jewish community safe, stand with Israel and Global Jewry, create meaningful ways for people to be engaged in Jewish life, build bridges with other communities, and respond to crises whenever and wherever they arise.*

## Now is the Moment for Us to Come Together for Good

As we look ahead to 2025, the challenges we face are unprecedented, but so too are the opportunities to make a difference. Together, we can:

- **Prioritize Safety and Security:** Ensuring that every member of our community can live Jewish lives with dignity and safety.
- **Stand with Israel and Global Jewry:** By connecting our communities and providing life-saving relief to Jews at risk worldwide.
- **Support the Most Vulnerable:** Offering vital assistance to those in need, ensuring they live safe, supported lives.
- **Inspire the Next Generation:** Creating meaningful ways for people of all ages to engage with their Jewish heritage.
- **Build Bridges:** Strengthening relationships with other communities and leaders, advocating for issues of shared interest.
- **Respond to Crises:** Being ready to act immediately whenever and wherever the need arises.

We invite you to join us in this sacred work. Your support is not just a donation—it's a declaration of commitment to our shared future. Together, we can continue to protect and enhance Jewish life in Broward, Israel, and around the world.
