

Supporting Vibrant Synagogues

Vitality of Synagogues

In a world where many Jews feel disconnected or marginalized, strong synagogues serve as vital centers for Jewish life, fostering spiritual and social bonds that sustain Jewish identity and resilience. By preserving traditions and educating future generations, they ensure the ongoing vitality of Jewish culture. The Jewish Federation of Broward County is proud to partner with local synagogues to support and enhance their essential role in the community.

“Being part of the Madrichim in Training (MIT) program at Temple Kol Ami Emanu-El has been a wonderful opportunity for me as a teen to have a leadership role at my temple. The program has allowed me to grow as an individual, develop leadership skills, experience new things, and learn about myself in the process. We are extremely grateful to the donors of the Jewish Federation of Broward County for supporting the MIT program.”

Over **\$13 million** in endowment funds for synagogues has been raised through the Life and Legacy program and in investments in the Jewish Community Foundation

\$160,000 in security funding was provided to enhance security in synagogue early childhood centers

23 congregations have participated in trainings and consultations with the Jewish Federation’s community security team

\$12,000 has been awarded to synagogue educators and teachers to improve their teaching techniques through professional learning experiences and Israel programs

55 adults from across South Florida were recruited and interviewed to teach in synagogue religious schools through The Learning Collaborative initiative

Congregation Kol Tikvah is proud to partner with the Jewish Federation of Broward County because together, we provide critical resources and safe spaces for the Jewish community, fostering a sense of unity and support.

The Federation has enhanced the northwest Broward Jewish community with incredible programs, which Kol Tikvah has both partnered with and participated in, including:

- PJ Library enriches the Jewish identities of our youngest congregants..
- Life & Legacy is a program that secures a solid financial foundation for our congregation for generations to come. It offers a myriad of professional opportunities for our clergy, early childhood, and religious school teams to bring their very best to our congregation every day.
- The Secure Community Network (SCN) provides our community with the tools, knowledge, and resources to ensure our safety and security within our space.

Fortunately, the Jewish Federation of Broward County is a partner, resource, and ally in our work. Thank you for all you are doing for our Jewish community.
