

## GENE GLASSER

With more than 40 years of experience, Gene K. Glasser is among a select group of attorneys recognized by The Florida Bar as a Board Certified Lawyer in Tax Law and in Wills, Trusts, and Estates. Board certification represents the highest level of recognition for an attorney's specialized knowledge, skill, proficiency, professionalism, and ethics in a particular area of practice.

Widely respected in the legal community for his keen insight and depth of experience, Mr. Glasser is known for successfully handling highly complex tax and estate matters. His practice focuses on tax law, estate planning and administration, and probate, where he advises individuals and families on sophisticated planning strategies and guides them through intricate estate and trust issues.

Gene earned his B.S.B.A. in Accounting from the University of Florida and his J.D. from the University of Florida College of Law. He later received his LL.M. in Taxation from New York University. He was tapped to be a member of the prestigious Florida Blue Key Leadership Honorary Society. Mr. Glasser is a partner at Greenspoon Marder LLP.

Mr. Glasser is a Fellow of the American College of Trust and Estate Counsel (ACTEC), a distinction that recognizes exceptional expertise and leadership in the trusts and estates field. He has also been recognized in The Best Lawyers in America for "Tax Law and Trusts and Estates" 2001 to 2026.

In addition to his practice, he is deeply committed to professional and community service. He is a former Chairman of the Jewish Community Foundation of the Jewish Federation of Broward County and serves on the Board of Directors of the University of Florida College of Law. He has been recognized for his philanthropic leadership, including as a 2024 Impact Award Honoree by the Memorial Healthcare Foundation, and as a recipient of the Lifetime Mitzvah Society Award from the Jewish Federation of Broward County and the Circle of Friends' Spirit of Healing Award from the Joe DiMaggio Children's Hospital Foundation.
